

## Meet our Facilitators

**Brenda Clasquin** is past president and a founder member of Cancer Counselling Professionals Inc. She is a Radiation Therapist and has a Master of Counselling. She is a clinical member of PACFA and CAPA.

She also works at the Cancer Council NSW as a Cancer information and Support Consultant

**Maxine Rosenfield** is author of 'Telephone Counselling: a handbook for practitioners' and co-author of 'Cancer at Your Fingertips' and 'Breast Cancer at your finger tips'. She is a Radiation Therapist and Counsellor. She is a founder member and executive board member of Cancer Counselling Professionals Inc.

She has been a trainer and consultant in the field of cancer care for the past 20years.

**Dr Mandy Goldman** is the president of the Cancer Counselling Professionals Inc. She is a South African trained clinical Oncologist. She established the Durban Oncology Centre in 1992 and worked in terminal care for many years. She has a post graduate Diploma of Counselling from the Australian College of Applied Psychology and has a keen interest in the emotional aspect of cancer.

She is on the board of the Australian Society of Sex Educators, Researchers and Therapists and has an interest in the impact of cancer on relationships, intimacy and sexuality.

## Workshop Aims

Provide Counselling Professionals with relevant skills to work in the specialised field of counselling those affected by cancer

On Completion of this workshop, participants will:

- ❖ Have a basic understanding of different cancers
- ❖ Have a working knowledge of Cancer treatments, how they work and their side effects.
- ❖ Be able to identify common psychosocial concerns of cancer patients and their families
- ❖ Be able to extend existing counselling skills to assess cancer specific concerns and provide intervention strategies.
